

# **SAFE ACTIVITIES AND SAFE ENVIRONMENTS FOR CHILDREN**

**Monday 21<sup>st</sup> November at 5.30pm  
at the Karibu Education Centre  
7 Gresham Road, SW9 7PH**

Members of Lambeth Faith Communities who work or have contact with children and young people are very welcome to attend. This includes volunteers who provide services in places of worship and in faith-based organisations, religious leaders, staff and safeguarding leads.

After a free vegetarian hot buffet, you will hear experts from national organisations give the most up to date advice, guidance, support and good practice examples to help you safeguard children and young people in your settings. You will hear about the Lambeth safeguarding agenda and key priorities, and about how the LSCB can help and support you practically.

You will also have the opportunity to share your views and experience on how to better protect and safeguard children and young people across the borough. The LSCB is looking forward to hearing about your experience and needs and how the Board can better support you in the future.

Please contact Vivienne White at Lambeth Safeguarding Children's Board for any enquiries on 0207 926 7068 or [vwhite@lambeth.gov.uk](mailto:vwhite@lambeth.gov.uk).

**Please register your interest with Vivienne by Wednesday 9<sup>th</sup> November.**
