

LONDON BOROUGHES FAITHS NETWORK with COLLABORATION
HOUSE COLLEAGUES INVITE YOU TO

pray and fast for the climate

Sunday 1 March 7-9pm

Collaboration House, 77 Charlotte Street, W1T 4PW

Londoners from religious and philosophical traditions are joining together in solidarity with others worldwide in *Fast & Pray for Climate*. We are meeting at different venues in London on the first day of each month until UN COP 21 in Paris, December 2015.

The evening meeting will include short prayers and reflections using www.ourvoices.net resources, a simple meal to break the day's fast, and discussion of related actions. Not everyone will be fasting but all are welcome.

Collaboration House brings people together.

Bring vegetarian food to share: dates, soup, samosa, fruit, bread, cheese, rice, juice. There is a kitchen for cooking & reheating.
