Some ways of marking the Week

- Faith trails and open door days – opportunities to visit places of worship
- Highlighting an inter faith project or programme of your organisation
- Launching a new inter faith project or resource
- A social media inter faith awareness campaign
- Joint social action – like a community litter-pick or charity fundraising
- Dialogues, debates and talks
- Quizzes, poster and photography competitions
- Inter faith sports events
- Hands-on learning activities and exhibitions
- Exchange visits between members of different places of worship
- Whole school and classroom activities
- A young people's inter faith forum event
- Arts and cultural events
- Faith and food events – however you do it, everyone likes to eat!

Join the many faith, belief and inter faith bodies, community and voluntary organisations, local authorities, Police and emergency services, SACREs, schools, colleges, universities, chaplaincies, businesses and others who will be taking part this year.

This year, why not consider a hands-on social action project – from tree planting to volunteering together in another way that helps the local community? Or hold a discussion about living well together as people of different faiths and beliefs and how we contribute to our shared society?
